

Precision Occupational Medical Group, Inc.

Quality Care You Can Trust.

Precision Occupational Medical Group, Inc., (POMG) is California's premier provider of quality EMG & NCS services.

Established in 2003 at Cedars-Sinai Medical Center in Los Angeles, Precision has expanded to more than 30 locations throughout California.

With Precision, you're assured of the highest quality diagnostic services from Board Certified providers with unparalleled reliability.

Leadership

Dr. Sean Bamshad, M.D., is President and founder of POMG. He is Board Certified in Physical Medicine and Rehabilitation. Dr. Bamshad's primary office is located at Cedars-Sinai Medical Center in Los Angeles, California with his business partner, Richard Riggs, M.D., Medical Director and Chairman of the Department of Physical Medicine and Rehabilitation at Cedars- Sinai.

Dr. Bamshad received his Doctor of Medicine degree at Albert Einstein College of Medicine in New York, New York.

He completed his Residency in Physical Medicine and Rehabilitation at UCLA Medical Center, where he was Chief Resident from 2001- 2002.

Quality and Service

One of the key elements to Precision's success is its commitment to quality care and focus on customer satisfaction.

POMG offers many advantages:

- Extensive geographic coverage throughout So. Calif
- Contracted with most major EMG/NCS networks
- Weekend and after-hours appointment times available in some areas
- STAT appointments available, upon request

POMG TEAM

POMG has dedicated staff available to assist all aspects of client support. As a result, we are able to enhance service levels and strengthen relationships with all of our valued patients and referral sources.

POMG is committed in hiring quality providers. All Precision providers are Board Certified Neurologists, Board Certified Psychiatrists and/or Board Certified in Electrodiagnostic Medicine. POMG has periodic provider staff meetings to enhance report quality and content.

POMG EMG/NCS protocol:

- Patient contacted within 24 hours of receipt of referral
- Patient scheduled within 7 days from contact
- Report turnaround 24-48 hours from date of service
- Urgent reports provided immediately after testing, upon request

The Precision Advantage

Precision Occupational Medical Group, Inc., has a dedicated team of qualified physicians who specialize in providing accurate and timely EMG/NCS diagnostic tests. POMG's reliability, reputation and dedication to quality service are why so many referral sources turn to Precision Occupational Medical Group Inc., for their EMG/NCS needs.
